For the Six Months Ended 30 June 2017

## 1. GENERAL

Hidili Industry International Development Limited 恒鼎實業國際發展有限公司 (the “Company”) was incorporated in the Cayman Islands under the Companies Law, Cap 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands as an exempted company with limited liability on 1 September 2006. Its shares are listed on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”). The address of the registered office is Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman, KY1-1111, Cayman Islands. The principal place of business of the Company is Room 1306, Tai Tung Building, 8 Fleming Road, Wanchai, Hong Kong. In the opinion of the directors, the Company’s parent company is Sanlian Investment Holding Limited, a company incorporated in the British Virgin Islands and the ultimate holding company is Sarasin Trust Company Guernsey Limited, which is controlled by Mr. Xian Yang, the executive directors of the Company. The Company acts as investment holding company and its subsidiaries are engaged in mining and sale of raw coal and clean coal.

The Group’s principal operations are conducted in the People’s Republic of China (the “PRC”). The condensed consolidated financial statements are presented in Renminbi (“RMB”), which is also the functional currency of the Company.

## 2. ADOPTION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (“IFRSs”)

In the current interim period, the Group has adopted all the new and revised IFRSs that are relevant to its operations and effective for its accounting year beginning on 1 January 2017. IFRSs comprise International Financial Reporting Standards (“IFRS”), International Accounting Standards (“IAS”), and Interpretations. The adoption of these new and revised IFRSs did not result in significant changes to the Group’s accounting policies, presentation of the Group’s financial statements and amounts reported for the current interim period.

The Group has not applied the new and revised IFRSs that have been issued but not yet effective. ## 3. BASIS OF PREPARATION

The condensed consolidated financial statements have been prepared in accordance with International Accounting Standard 34 “Interim Financial Reporting” as well as with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

In preparing these condensed consolidated financial statements, the Directors of the Company have given careful consideration to the future liquidity of the Group in light of the fact that the Group’s current liabilities position of approximately RMB8,374 million as at 30 June 2017 and incurred loss of approximately RMB170.9 million for the six months ended 30 June 2017.

During the year ended 31 December 2015, the Group has breach several loans covenants, including: (i) repayment of a short-term unsecured loan from a PRC bank which fell due in June 2015 of approximately RMB311 million; and (ii) repayment of senior notes due 2015 (the “Notes”) of approximately USD191 million (equivalent to RMB1,259 million) which fell due on 4 November 2015. The aforesaid breaches constitute events of default under certain of the Group’s loan facilities that contain cross-default provisions. In addition, certain other loan agreements of the Group provide that the lenders have the right to demand immediate repayment of any outstanding amount if the Group experiences material financial crises or other material adverse changes, the business of the Group deteriorates, or there occurs any event that could adversely affect lenders’ interest or suggests the Group inability to repay any outstanding amount. Therefore, it is possible that the lenders to the Group could accelerate their loans as a result of breach of the other loans to the Group.

The Group intended to pursue a consensual restructuring with the holders of the Notes (the “Holders”) (the “Debt Restructuring”) and a steering committee of Holders (the “Steering Committee”) has been formed in December 2015. On 19 January 2016, the Company received a winding up petition (the “Winding Up Petition”) filed by a bondholder of the 8.625% Notes with the High Court of Hong Kong against the Company for the outstanding principal and interest due to the bondholder under the Notes. On 11 March 2016, the Company provided Holders with the key indicative terms of a proposed restructuring of the Notes.

On 18 January 2017, the Company, the Steering Committee and the Onshore Creditors Committee have entered into a term sheet in relation to the proposed restructuring of the onshore and offshore indebtedness of the Company (the “Termsheet”).

## 3. BASIS OF PREPARATION (Continued)

Regarding the execution of the Termsheet, the Holders and the Lending Banks have agreed to standstill and not take action against the Company until 31 March 2017 to allow all parties to formulate the formal documentation and thereafter extend the standstill in accordance with the terms of the formal documentation. The Board expects to finalise the formal documentation by November 2017 to seeking approval in shareholders' meeting.

The substantive hearing of the Winding Up Petition has been adjourned to 17 November 2017 before a Judge of the Court of First Instance of the High Court.

In order to improve the Group's financial position, to provide liquidity and cash flows and sustain the Group as a going concern, the Group has been implemented a number of measures, including but not limited to:

- (i) The Group is negotiating with banks to roll over the loan repayments and extend repayment of interests;
- (ii) The Group is negotiating with its lenders to restructure of their debt to equity;
- (iii) The Group is looking for potential investor to invest to the Company;
- (iv) The Group is looking for opportunity for disposal of certain assets of the Group.

In addition, the Group is currently focusing on the integration of coal mines and strengthening its operations of production and sales of clean coal, and the management is also implementing cost-saving measures to improve its operating cash flows and financial position.

On the basis that the Group can successfully complete the Debt Restructuring and certain measures as mentioned above to improve its operating results and cash flows, the Directors believe that the Group will have sufficient funds to finance its current working capital requirements in the next twelve months from the end of the reporting date. Accordingly, the consolidated financial statements have been prepared on a going concern basis.

## 11. MOVEMENTS IN PROPERTY, PLANT AND EQUIPMENT

During the current interim period, the Group paid approximately RMB0.4 million (six months ended 30 June 2016: RMB4.5 million) and RMB36.6 million (six months ended 30 June 2016: RMB50.8 million) on acquisition of property, plant and equipment and construction in progress, respectively.

Pursuant to Notices issued by Panzihua Government and Liupanshui Government in October 2013 and September 2013, respectively (collectively “Mines Restructuring Plans”), Panzihua Government and Liupanshui Government had formulated mines restructuring plans to improve productivity and safety of coal mining operations. The Group’s mines located in Guizhou province and Sichuan province with carrying amounts as at 30 June 2017 of approximately RMB7,286 million (six months ended 30 June 2016: RMB7.351 million), which including mining structures and mining rights and construction in progress, are subject to the mines restructuring scheme and hence have to comply with the Mines Restructuring Plans.

At 30 June 2017, the legal titles of the mining rights included in property, plant and equipment with carrying values of approximately RMB30 million (31 December 2016: RMB30 million), have not been granted by the relevant government authorities and the relevant title transfers are still under application.
