OPERATIONAL OVERVIEW

The major operational data for the six months ended 30 June 2018 was calculated based on the internal statistics of the Company and are intended to give investors an overview of the production and operation of the Group. The major operational data may somewhat differ from the data disclosed in the relative periodic reports of the Company. In addition, affected by various factors, including (but not limited to) the adjustment of the macroeconomic policy of the state, changes in the domestic and overseas market conditions, bad weather and disasters, equipment maintenance and safety inspection, material differences may exist among the productive and operational data published quarterly. The aforesaid productive and operational data does not make any express or implied

forecasts or guarantees in respect of the Group's operating condition. The investors are hereby reminded of the risks which may result from inappropriate reliance upon or utilization of the information given above.

By Order of the Board
Hidili Industry International Development Limited
Xian Yang
Chairman
